

## Message from Argentina

Via our Methodist District Partnership arrangement with the Methodist Church in Argentina we have received the following message from our contact in their central church office, in response to the tragedy in West Cumbria. Translation by Audrey Cannon of Penrith Methodist Church.

Dear ... brothers and sisters in Cumbria,

We are saddened by what has happened and are in touch with friends here in Argentina to ask them to continue praying for the families affected, and for those who are comforting and supporting the people involved.

Bishop Frankie sends them his sympathy and reminds them that it is the Lord who is the source of our strength.

'I am come that they may have life, and that they may have it abundantly'  
John 10:10

Because of our faith in Him death has no power.

With fraternal greetings,

Evangelina.
