Dear Philip

Please find enclosed a letter I received this morning from the President and Vice-President of the Methodist Conference.

I trust it is an encouragement to you in the Whitehaven Circuit.

With every good wish

Richard

Representative Session

Dear Richard

The Conference is meeting in Portsmouth Guildhall, the motto of the City of Portsmouth is "Heaven's light our guide". Our prayer is that this will be so for us in our conferring together.

It is the desire of the Conference to request you on their behalf to convey to those people most affected in the Cumbria District our sympathy, love and concern with relation to three tragic events, last autumn's floods, the coach crash involving students and the recent shootings. Over all these events local communities have come together in support of each other in a most remarkable way. Local and county Churches Together Groups have displayed exemplary discipleship in the oneness together as they have coped with meeting the needs of communities over these heartbreaking months.

Our prayer is that God will enfold you in his love and grace and that you continue to know his presence and power always with you.

Wishing for you God's richest blessings.

Yours sincerely,

The Revd Alison Tomlin
President of the Conference

Deacon Eunice Attwood
Vice President of the Conference
